General Rules and Procedures

- All trainers must have a signed racing application and liability waiver on file in the race office prior to participating at Rosecroft.
 - Current Coggins tests must be on file in the race office prior to horses entering the grounds.
- Rosecroft encourages horse people to utilize the USTA's Online Entry program when entering their horses to race.
 - If a trainer enters more than one horse into an event, the horse with the best preference date will be drawn in unless the trainer otherwise instructs. If you do not want your horse moved to another event for any reason, please let us know. You can leave notes when using the Online Entry system, and we encourage you to do so.
- The USTA's automated draw program will be used to determine post positions. Post positions are randomly generated.
- The race secretary may classify horses based on performance, earnings, and/or sex. Horses not making at least one of their last four starts at a track other than Rosecroft may be classified by the race secretary regardless of earnings.
 - Events that do not fill as written may be changed at the discretion of the race secretary. Events may be combined in a competitive fashion or not used at all.
 - Purse caps do not apply on "non-winners of X extended pari-mutuel races" events.
- Horses moving from the "winners of 6 but not more than 9 extended pari-mutuel races" class can not drop below "non-winners \$2,500 last 4 starts."
- Horses that win a conditioned race may be required to jump one class regardless of previous earnings. Horses may not drop more than one class at a time without the authorization of the race secretary.
 - Horses that win a nw \$1,000 last 4 starts race will be required to move up to nw \$2,500 last 4 starts condition regardless of their Track Master Rating, or 2026 yearly earnings.
- "Pari-mutuel wins" are defined as wins at extended pari-mutuel meets or purses of \$1,999 or more first money.
 - Maryland Sire Stakes wins do count as pari-mutual wins.
 - Smoking is not allowed in the paddock.
- Safety vests and properly fastened helmets must be worn at all times while on the racetrack.
- Horse people are urged to use the wheelbarrows and manure bins provided when cleaning their trailers in the paddock parking lot.
 - Ship-in stalls are available on a first-come, first-served basis. Saving ship-in stalls is not allowed.
- No ownership changes will be made after a horse has been drawn into a race. Please take care of business before entering to race.
